Anonymous Telephone Call  
on May 5, 1989

The lady who called would only identify herself as "[REDACTED]." .

She said that in the fall of 1980 or 81 her son, now age 25, was sexually molested (oral and anal) by Bill Ford, Jr. and B.W. Baker, Jr.

She said that it did not happen at a Scouting activity, but the perpetrators were involved in Scouting as either leaders or junior leaders.

[REDACTED] insisted on remaining anonymous. She said that her son was experiencing guilt and having a difficult time emotionally. I asked [REDACTED] if she would be willing to put the incident in writing to me. She said she would do it.

I explained to [REDACTED] that Mr. Ford and Mr. Baker would be suspended from Scouting if they are registered. I also told her the incident would be reported to the police.

I told [REDACTED] that the BSA would provide counseling for her son if desired.

I gave her my office and home telephone numbers.

On May 10, 1989 I spoke by telephone with Officer McGlaughton of the Grand Prairie Police.

I told him of the contents of the letter from [REDACTED]. He said that since it was not a Scouting activity and especially since the victim is now an adult and so much time has passed since the incident, any reporting should be done by the victim.

Dear Mr. Billy Gamble:

I am the parent of a young man that recently opened up to me about being overpowered by two of your Circle C Troop 592 Scout Leaders (Assistant and Jo Assistant) together when he was an unwilling minor. I am "[REDACTED]" I feel angry about this.

My son had been shut down emotionally for some time. We could not seem to find out why he suddenly shut down. It is too late to prevent this painful experience from happening to my son, but we are concerned since one of these young men's family had remained in scouting for years\* that they may still be Scout leaders and possibly perpetrating similar acts (of: molestation oral sex, and anal raping) on other young men in Boy Scouts under their leadership today.

Since my son is still feeling a great deal of shame from this, he has

requested that his identity be and remain anonymous. So, I wish to inform you of this anonymously. (I have checked this letter out with him before sending it to you) He was unable to relate any of this to anyone sooner due to his feelings of:

- ① "Shame that people would look at him as if he were homosexual."
- ② "Quandry, 'Why young men, not young women were turned onto him.'"
- ③ "What did he do to have this happen to him?"
- ④ "Shame he was not able to do anything to protect himself, get away - a feeling of shock and immobilization."

These are common feelings during and after victimization. My primary concern is to be supportive of and protect my son while he deals with these issues. I feel angry and hurt that he had to experience any of this with friends: what's one BSA Leader. It has shaken his trust immensely and mine.

We hope these two young men are currently not leaders in the BSA, but would greatly appreciate your checking into this to protect other unsuspecting trusting scouts. We hope you will observe for yourselves and take whatever measures that are necessary to prevent their further leadership in the BSA. We hope you will be able to put a stop to these two young men's further molestation, violation and abuse. You have ~~my~~ permission to make copies of this letter to use in any way necessary (including: the police, the named persons involved, etc.).  
(or parents)

+ Education for BSA leaders: leaving out names, places - specifics that will identify any particular persons involved

Details:

① Occurred:

- a) In Grand Prairie Texas
- b) Sometime between the Fall of 1980 and Spring of 1981.

② By:

a) \* Bill Ford Jr.: Jr. Assistant Scoutmaster (his family was in scouts as leaders for years).

b) Son of: [REDACTED]

B.W. Foster, Jr.

Grand Prairie, Texas 75050  
He was  $\geq 20$ 's y.o. Heavy set (not muscular), average height at that time.

We hope the B.S.A. may be able to use this information for positive prevention and education of current BSA members - the future leaders of the USA.

I suggest:

① Teach BSA how to stay safe in this situation (Buddy system with leaders and Scouts perhaps: 2:2). Safety in numbers.

② How and who to tell if it occurs without shame and doubting of their words.

③ That they are still MEN - accepted as they are.

④ It's NOT THEIR FAULT!

A Concerned Parent and Citizen

PS: I am willing to call you to give what other information you need (after I check it out with my son) - anonymously. My son does not want to press any charges at this time. I want to protect other young men as well as my son. (my son has okayed and validated all of this letter, he has given me permission to mail it exactly as it is stated).

MEETING WITH BILL FORD, JR.

On Thursday, May 18, 1989, I met with Bill Ford, Jr. at the Circle Ten Council Scout office.

I informed him of the anonymous telephone call and letter I had received from [REDACTED] which accused him and B.W. Baker, Jr. of sexually molesting her son approximately ten years ago.

Bill said that he did not know who it could have been, but he did admit that during that time in his life he was involved sexually with other males. He said he was never involved with any type of force or rape.

He said that his friend B.W. Baker, Jr. had charges brought against him a number of years ago for sexual molestation. Bill said that he was not involved in that case. However, since he had been involved with B.W. in other cases, and since he was afraid the victims were going to come forward, he (Bill Ford) confessed to his parents about what he had been doing.

I explained to Bill that it would be in his best interest for him to resign from all Scouting activities. I told him that his registration would be suspended and that it would be kept confidential.
